

Dear Friend,

If you or someone you know is in Egypt and needs assistance, here are some important resources that you can use:

- If you are currently traveling in Egypt and need help, you can contact my office at (631)951-2210. A caseworker can help you and your family work with the federal government.
- The Department of State is making arrangements for U.S. citizens who wish to depart Egypt for safe haven locations in Europe. This assistance will be provided on a reimbursable basis, as required by U.S. law.
- U.S. citizens currently in Egypt can contact the U.S. Department of State and the U.S. Embassy in Cairo at:

EgyptEmergencyUSC@state.gov

1-888-407-4747 toll-free in the United States and Canada

1-202-501-4444 for callers outside the United States and Canada

- For the latest information from the U.S. State Department on the ongoing situation in Egypt, please visit <http://travel.state.gov>.

And for more information about the situation in Egypt and how the federal government can help you or someone you know, please visit my website
